

AMOUR G

Main Image:

Type: WBS-UK graded coloured sport horse stallion

DOB: 2005

Height: 16.1

Amour G has the sweetest temperament imaginable and full of presence, he turns heads where ever he goes. He has three correct, elevated paces and the most amazing length of rein.

Amour G has both Olympic dressage and show jump horses on both sides of his pedigree

Pedigree Information:

His sire, Goshka Ringo, is a maternal grandson of the great dressage sire, Olympic Ferro and on the sire line, Purioso. Purioso produced three Olympic sons including Bonfire and Cocktail, the sire of Jazz, the 2006 KWPN stallion of the year. Purioso is himself a son of Furioso, producer of a long line of International and Olympic showjumpers.

Amour G's dam line is equally illustrious. His dam is a double branded Danish warmblood mare by the great May Sherif. Despite competition from imported German and Swedish horses, May Sherif won his performance test for the Danish Warmblood Society in 1975. In 1988, he had two of his progeny competing at the Seoul Olympic Games, Andiamo, then ridden by the Swiss Otto Hofer, and Matador with Kyra Kyrklund.

Stallion's previous breeding history:

2009 will be his first season at stud.

Additional Images:

Stud Fee: £450 collection fee NFFR

Additional information about the Stallion or Stud Farm:

The only horse to date to be awarded TWO Elite First Premiums by the BEF Futurity scheme, one for dressage and one for show jumping.

With no marks less than 9 out of 10, he scored 9.75 in the vetting, 9.75 for his paces and 9.5 for his conformation.

Comments from the evaluators included `` fabulous walk, good hind leg for canter`` and `` very scopey, good brain``

Amour G is destined for the dressage arena but has also been lightly shown with great success.

Winner of many sport horse classes and championships he has also won the coveted BSPA Superstar In Hand Championship twice
