

BERNWODE NIRVANA, Bernwode Stud

Main Image:

Type: Riding Pony
Date of Birth: 2001
Height: 145 cms
Description:

German (Weser Ems) Riding Pony Stallion
Bay. Graded SPSS U.

Bernwode Nirvana was imported to England in 2003 and was graded by the SPSS in Spring 2004, gaining very high marks across all the categories. Indeed, Nirvana scored the highest marks ever awarded to a young stallion (and the second highest overall for all SPSS stallions to date).

Pedigree Information:

Bernwode Nirvana offers outstanding movement and jumping ability. His father, Nevado, has twice been a member of Germany's FEI European Pony Event Team whilst siring many successful dressage and jumping ponies.

Bernwode Nirvana's dam, Sina, is by the remarkably athletic German pony sire, Fritzchen who, despite his height of only 138 cms successfully competed at Advanced Medium level dressage against large warmblood horses.

Stallion's previous breeding history:
