

BROKAT, Bernwode Stud

Main Image:

Type: Riding Pony
Date of Birth: 1997
Height: 146 cms
Description:

Approved German Riding Pony Stallion Chestnut. Licensed Weser Ems Studbook Germany and SPSS UK. DUAL GOLD MEDALIST FOR ENGLAND.

Bernwode Brokat boasts an outstanding temperament, good conformation and excellent jumping ability which, combined with his wonderful paces and proven pedigree ensures a 'top class' sire of sports ponies.

Pedigree Information:

Bernwode Brokat's bloodlines trace back to some of our superb Welsh ponies such as Bwlch Hill Wind. He also carries the time honoured Downland blood found in so many of the most successful ponies in both Great Britain and mainland Europe

Stallion's previous breeding history: He sired one foal, born in February 2001, before being imported to Great Britain as a three year old in 2000.

Additional information about the Stallion or Stud Farm: Brokat's sire Brillant was one of the most prolific sires of successful dressage and jumping ponies in Germany, having competed himself to a high level in both disciplines in open classes. For three consecutive years he was the top sire of German dressage ponies and within the top three sires over a period of six years!
