Concentrated on his Show, jumping but he has the movement, confirmation & presence of a top show horse, which was proven by his many Championships, including Reserve at the Great Yorkshire. Named in the Horse & hound coloured article as the top coloured show jumping sire in the UK.

Pedigree Information:

Top Class blood lines go back to both sets of grandparents. Country Top Gun has Top Show Horses, Show Jumpers & National Hunt Horses in his pedigree. His Sire Stensen is the sire of many top class coloured competition & Show horses. His full sister Pauldary's Lady Aaddie is a prolific winner in the show ring. His Grand Sire Ayyabaan was 3rd in the Ascot Gold Cup. His Grand Dam Fidlantia was a grade A show jumper. His Great Grand Sire Prefairy (by Fairy Airy) was the Champion National Hunt Sire in Ireland.

Stallion's previous breeding history: He has produced over 80 coloured foals. He will add class & movement to any type of mare. He has proved he can produce any type of Sports Horse. We believe he has the largest number of proven offspring competing in all disciplines at a high level of any coloured stallion & their achievements are greater than by most plain sports horse stallions. He is a wonderful sire to use on pony mares to which he adds length of leg & stride. We use him on 13hh & above with none having any problems foaling as his foals are born all legs.
