Date of Birth: 1999
Height: 16.2 1/2
Description:

Liver Chestnut, 10" bone, RID 1999.

Sandy's Light has been graded One by the Irish Draft Society. An exceptional stamp of a horse, combining quality with immense bone and substance. A great front leg, short cannon bones. Can cover the ground and has an excellent jump. Superb conformation with outstanding big front and is very short coupled.

Excellent temperament and regularly ridden and hunted.

Pedigree Information:

By Sandy Hill Boy (Skippy) out of Molly's Doll, by Western Pride.

Stallion's previous breeding history:

Great sire of show hunters/working hunters and generally a grand horse to put on quality bone and a good jump.

Additional Images:

Stud Fee: £ 150 + £150 October 1st unless mare tested not in foal

Additional information about the Stallion or Stud Farm:

Excellent facilities including closed circuit tv for foaling mares and specialist care for show mares.
