

## WINDSOR HEIGHTS, West Kington Stud

### Main Image:

**Type:** Thoroughbred  
**Date of Birth:** 1993  
**Height:** 15.3hh  
**Description:**

Home-bred Windsor Heights combines a wonderful laid-back temperament with loose, free paces and a superb athletic jump. His offspring all inherit his athletic jump and stunning movement, winning in the show ring and now successfully competing in dressage and eventing.

Windsor started eventing as a six year-old and has been placed in several events, including Chepstow CCI\* 3DE.

### Pedigree Information:

His sire, Golden Heights, has produced several Grade I eventers (including Thumper Jumper, winner of Lulworth CIC\*\*, 2nd Gatcombe CIC\*\*, and the mares Spring Arrives and Joint Enterprise, 3rd Necarne CCI\*\*) and his dam line has produced many useful eventers and competition horses and ponies, including the prolific WHP Lord Burghersh.

**Stallion's previous breeding history:** Windsor Heights is an ideal sire for producing eventers, polo ponies and sport horses, as well as show horses and ponies. His offspring inherit his excellent temperament and correct conformation, his bold outlook on life, elevated paces and good, athletic jump. He has produced some outstanding stock who have won regularly in the show ring and are now competing in BE events.
